Home Deliveries

Please be assured that at The Fruit Basket we are doing all we can to fight off COVID-19 (coronavirus) and are following all government guidelines.

We believe that we will be able to keep the shop open throughout this period but in order to further support the community we have decided to offer a temporary home delivery service for those who are not able to venture out.

How do I place an order?

 Call **02392502923** and choose option 2. Ask the FB The Wholesaler team for a home delivery. They will take your details and order, then agree your payment and delivery arrangements.

 You can also place your order via WhatsApp - **07876782746** or by email, **orders@thefruitbasket.net**

Please ensure you give your name, address (including post code), your ideal delivery time and as much detail about your order as you can. The more accurate you are with your order, the more likely we are to get it right. Please be clear if you are ordering individual items or weights eg 3 carrots, or 3kg carrots.

Deliveries will arrive the **next day** on refrigerated vans with as little plastic packaging as possible. Please note we will only be able to offer broad delivery times e.g. am or pm.

To cover our costs, orders will be subject to a £2 delivery charge and a minimum order value of £10
